Total budget for project:

Is this project being done by an organization or a group of individuals? If so, please describe the group or organization and its purpose:

Describe the project. Include a budget for the project. How much volunteer help do you have to reduce the project cost? Where else are you applying for money? If you are charging a fee or bringing in any money, show that too. If your organization has a budget, what is it and how are you funded? Can your project go forward without the full amount of funding from the Middlesex Community Fund? Attach additional pages if needed.

Describe how your proposed project will make Middlesex a better place. How many people from Middlesex will be impacted by your project?

Why should Middlesex Community Fund your grant application?
