

Basic Needs Grants

Basic Needs Grants are for everyday items such as groceries, heating fuel, or a necessary house repair. These grants (\$200 or less) can be applied for at any time. Grants will be in the form of a gift card to businesses supplying the needed goods or services. Grants for home heating can only be given after the applicant has contacted Capstone Community Action and received any available assistance. More than one Basic Needs Grant can be applied for each year. There is a \$750 annual cap for each family, starting on May 1, 2021. Visit MCF's website, middlesexcommunityfund.org for more information about services available to all community members needing assistance.

Name: _____
Address: _____
Email: _____ Phone number: _____
Household size: _____ # of children under 18: _____

I am requesting an amount (\$200 or less) of _____.

I need this money to pay for (examples: groceries, electric bill or clothing):
